

COOKIES POLICY

1. Cookie files are IT data, particularly text files, stored on the terminal equipment of the Service User and intended for using the Internet sites of the Service.
2. Our site uses cookies to store statistical data, to adjust the service content to the user's interest, to broadcast advertisements, and for some elements of the service to function properly.
3. In many cases, the Internet pages browsing software allows to store the cookie files on the terminal equipment of the User by default.
4. The Service Users may at any time make alterations to the settings regarding the cookies. The settings may be changed in such a way to block the automatic cookies servicing in the Internet browser's settings or to inform the Service User each time about every placing of cookies in the equipment. Detailed information regarding the possibilities and ways to service cookie files is available in the software settings of the Internet browser.
5. Service operator informs, the limited use of cookie files may influence some of the functionalities available of the Internet pages of the Service.
6. Cookie files are placed in the terminal equipment of the Service User and may be also used by the advertisers and partners cooperating with the Service operator.
